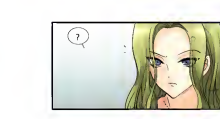
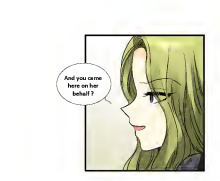
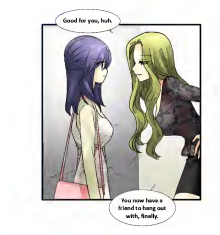
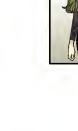
Do not upload my projects to online manga readers.
My projects must remain free of profits.





Yeah? It's interesting that two people who simply "went out to see each other" watched a movie together.
Why else would they see each other ?
You came here because you were suspicious as well, no ?





63.

Why do you want me to do that ?
He still has some time left.
You do know how hard it is to blend into a place like that.
I gave him three months, three who'e month.
What has he accomplished so fa ?

You do know how much damage we've taken just because
He felt sympathy toward victims and reported news later than our competitor did.

I should have fired him a long time ago.
But I gave him chances because he was a good person.
But this is really the last chance.

Well, I did think a person like him was needed in this field.
But in the end, we are all judged by our accomplishments.
Don't you agree ?
